Instructor(s): Sander Kersten
Level: BA1
ECTS: 2.0
Workload in student hours: 56
Semester: 1: jan-june

Full course description: Food plays a central role in our society but few people actually understand what it does to our bodies. Learn more about nutrition and how our diet profoundly impacts our current and future health. This introductory nutrition course addresses the relationship between nutrition and human health with a focus on health problems related to overnutrition.
