

The Australian National University

Canberra, Australia

Established in 1946

Best know for

ANU is a world-leading university in Australia's capital city, Canberra. Our location points to our unique history, ties to the Australian Government and special standing as a resource for the Australian people.

Our focus on excellence in research and education ensures our graduates are in demand the world-over, well-prepared to address complex contemporary challenges.

3 things you should know about the university

ANU is a member of the Group of Eight, and is the only Australian member of the International Alliance of Research Universities (IARU), a collaboration of 11 of the world's leading research-intensive universities.

ANU has 6 Nobel Laureates among our staff and alumni.

We have a five star maximum rating for student demand; research intensity; research grants; staff qualifications; and graduate starting salary (Good Universities Guide 2018).

Ranking

#1 University in Australia, and #20 University Worldwide in QS World University Rankings 2017/18
