

香港科技大學  
THE HONG KONG  
UNIVERSITY OF SCIENCE  
AND TECHNOLOGY

# The Hong Kong University of Science and Technology

Clear Water Bay, Hong Kong  
Established in 1991

## Best know for

A dynamic, international research university, in relentless pursuit of excellence, leading the advance of science, technology, business and humanities, and educating the new generation of front-runners for the world. Since its official opening in October 1991, the Hong Kong University of Science and Technology has established itself as an intellectual powerhouse, energizing the community's transformation into a knowledge-based society, and securing a place on the academic world map in record-breaking time.

## 3 things you should know about the university

- The media of instruction at HKUST is English
- Very extensive exchange program with close to 50% of our students spending at least one semester as exchange students in one of our 250+ exchange partners around the world by the time they graduate.
- A University of Science & Technology with almost every discipline we have in the Science and Engineering Schools ranked within top 50 in the world, and a Business School with the EMBA program rank 1st in both the QS and the Financial Times Global EMBA rankings.

## Ranking

HKUST ranked 37th in the World's top 1000 Universities 2019 in QS World University Rankings. In the Times Higher Education rankings, HKUST ranked 1st in World's Young University Rankings 2017 and 2018, and 12th in the Global University Employability Rankings 2017.
