

# RICE

## Rice University

Houston, Texas, USA

Established in 1912

### Best know for

Located on a 300-acre tree-lined campus in Houston, Rice University is consistently ranked among the nation's top 20 universities by U.S. News & World Report. Rice's undergraduate student-to-faculty ratio is approximately 6-to-1. Its residential college system builds close-knit communities and lifelong friendships, just one reason why Rice is highly ranked for best quality of life by the Princeton Review. Rice is well known for its engineering, music, and architecture programs. The University has one of the best materials science programs in the U.S., and has built an excellent reputation for its nanotechnology research.

### 3 things you should know about the university

- To date, Rice has facilitated the creation of 90+ online courses, and enrolled more than 1.5 million learners from over 195 countries across the globe.

- 95% of Rice students who apply to graduate or professional schools are admitted by commencement.

- Rice's approximately 3,900 undergraduates and 2,600 graduate students come from the U.S. and 76 countries or regions. 40% of the student population speak more than one language.
